

On 26th March 2012 the LPCC hosted a big coffee morning and information event at the South Holland Centre in Spalding. Over 75 parents and 60 professionals attended the event.

The aim of the event was to give parents and professionals as much information about the services and support that is available to families of children with disabilities and SEN. The morning consisted of a number of presentations by statutory and voluntary organisations. Refreshments were provided at regular intervals and a light buffet lunch finished the morning of formal presentations.

After lunch parents were given the opportunity to look around the thirty stands consisting of service providers and statutory and voluntary organisations.

Parents were also given the opportunity to speak to professionals in private and a number of professionals commented how useful this was.

Parents commented-

- I have enjoyed today's talks. Can we have more in Spalding area please?
- Fantastic you hold these events - thanks to all.
- Excellent event today. Very informative. Refreshments appreciated. Thank you!
- Thank you very much for this highly informed opportunity. In one morning you have shown me so many doors that I can open!

We are holding a similar event in Lincoln on 18th June - hope you can join us.
