

What LPCF are NOT?

- ⇒ **A campaign / protest group**
(charity / grant conditions forbid this).
- ⇒ **An advocacy service working on individual cases**
(though LPCF absolutely do want to hear your experiences and can raise those issues with providers of services).
- ⇒ **In the pocket of the Local Authority or Health**
(LPCF are fiercely independent).
- ⇒ **A designated support group**
(Although LPCF do provide lots of signposting / workshops and bring people together to network and learn.)
- ⇒ **A formal or informal information or advice service**
(check out the LCC Local offer and Liaise who provide free legal advice to Lincs parents around Education and SEND).

LPCF work in partnership with the Local Authority, Health and local service providers to help improve the quality, range and accessibility of services for families of children with SEND in Lincolnshire.

LPCF are a membership organisation and Charity. If you are a parent, carer or professional - www.lincspcf.org.uk
