

Lincolnshire Parent Carer Forum Outreach

Would your school, nursery, hub, college or setting like to strengthen links with parent carers of children with SEND?

If so, LPCF can support you by offering:

Outreach Visits

Attendance at your coffee mornings, parent events, SEND drop-ins, open evenings and community events.

Parent Carer Information Sessions

Helping families understand the support, services and opportunities available to them.

Workshops & Learning Opportunities

Promoting free parent carer workshops and information sessions that build confidence and understanding of SEND.

Building Positive Partnerships

Supporting meaningful engagement between families, schools and services to improve outcomes for children with SEND.
