## **Feedback from LCC Head of Service for Inclusion**

### **Parents Voice Report Jan – March 25**

#### **Page 11 -School Dispute**

This is a tricky one as there is limited information. We would always encourage parent/carers to liaise with and work with their child's school to identify the barriers, resolve any issues and work collaboratively to support school attendance. There is a wide range of support services, agencies, and actions that schools and parent/carers can access to support attendance. Details regarding these can be found at [SEND Local Offer – Lincolnshire County Council](#)

**Page 22 & 29 – School Transport:** we would always encourage parent / carers to raise any issues around school transport with the Transport Team so that there is the opportunity to try and resolve matters. Details around how to contact the various departments in the LA can be found at [Contact us – Lincolnshire County Council](#). There is a specific section for 'School and College Transport' that provides a drop down of contact details and links. If the matter wishing to be raised isn't covered, there is also the ability to use the 'General Enquiries Form' and there is a link to this too.
