Feedback from Scott Eley who is the SEND Employment Lead for LCC.

Parents Voice Report Jan – March 24

Page 6 Vocational Profile

The Vocational Profile will be going on the revamped family directory page as a PDF.

I am hoping to talk through this document and the use of it during our “Preparing for Adulthood Workshop” for LPCF on 8th June.

Scott presented information in response to the feedback during the workshop and the PDF version can be accessed on the parental resources page of the LPCF Website.
