Supporting children and young people with dyslexia and/or cognition and learning difficulties

- Supporting pupils, parents, SENCOs, teachers, and teaching assistants
- Promoting dyslexia awareness at all levels within schools
- Promoting dyslexia friendly/learner friendly schools

Advisory Role for schools

- Open to all school staff
- Telephone / email / school visits
- Advising on best practice:
 - Classroom provision
 - Interventions and resources
 - Graduated approach
 - Examination Access Arrangements
 - Individual pupils

Advisory Role for parents

- Telephone / email contact
- School drop-in advice sessions
- Parent workshops
- Help develop understanding of literacy difficulties and dyslexia and other SpLDs
- Offer reassurance
- Provide practical strategies to support at home
- Transition advice

Working in partnership

- Facilitate discussions between parents and school
- Help to reassure parents, explain areas of uncertainty
- Neutral mediation
