

Kids

Disabled children
say we can

Family Support Online

One to one support and group workshops for parents/carers of children & young people with SEND.

Navigating the challenges of supporting your child with Special Educational Needs & Disabilities can feel overwhelming, frustrating and isolating...

"We are here
to help you find your way
through"

- Free initial consultation including signposting to other information and support
- One to one online advice, information and emotional support starting at £30
- Group online workshops on a variety of topics for £15
