Change

Making a difference for children and young people

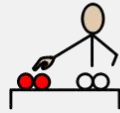

with special educational needs in Lincolnshire

December 2023

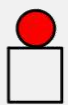

What we want to achieve...

1

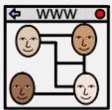

1. improve services for those with disabilities

2

2. share our work and progress with others and on

social media

3

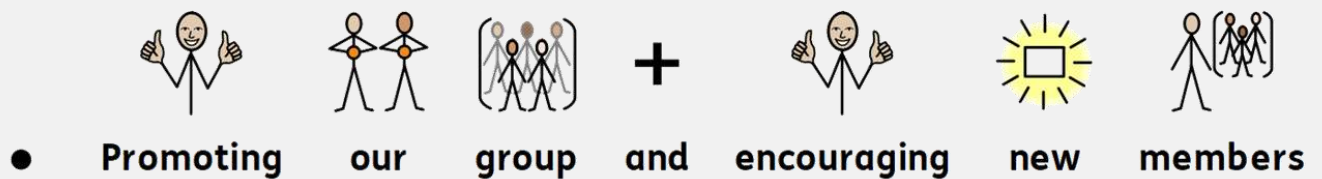

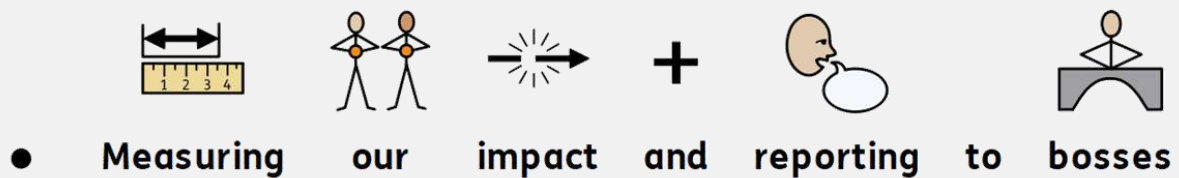

3. Inspire young people with special needs and disabilities

December 2023

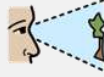

-   **Having a Plan**

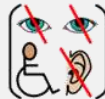

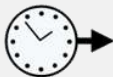

December 2023

Who is in the group

You can come to a meeting to see if you like it!

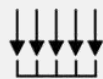

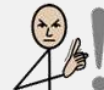

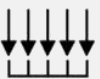

You will have a disability and Education Health Care Plan

14 25

You will be 14 to 25

All are equal and everyone's voice is important. All

needs are welcomed and valued.

You do jobs using your skills and interests

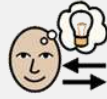

You do not pay to attend

December 2023

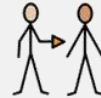

You will be expected to:

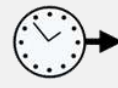

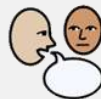

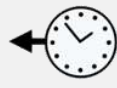

- attend and share your ideas

- respect others and be kind

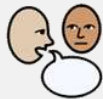

- not share sensitive, confidential information you hear

- do things you have said you will do

- respond to communications

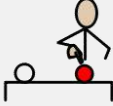

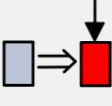

- tell someone if you are not happy with how you

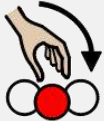

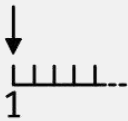

are treated or how the group works

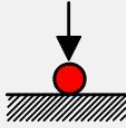

Safety

      
If you share something we are worried about, we

      
may share it with other professionals. This may result

    
in action to ensure your safety.

    
Any problems try to talk about it first,

  
but you can complain here:
